## **FJMC INTERNATIONAL CONVENTION 2021**

*The Ultimate Men's Club Experience*

Every two years men from all over the United States, Canada & The World travel to attend the FJMC's International Convention. This year you have a special opportunity to join us from the comfort of your home. Convention is not just for club leaders; it is a chance for all men to learn & grow while forming new friendships and connections beyond your shul.

Join us for "A Taste of Convention" with most of the programming and events that you would experience at a regular full convention, such as: Quality Club & Region Awards, Affinity Group Discussions, Torch Awards (a great display of successful programming created at the club level), Hearing Men's Voices Sessions, Plenty of Schmoozing, IKC Kabbalat Shabbat, Ma'asim Tovim Awards, and the legendary Cantor's Concert! You can attend as few or as many of the scheduled events as fits your schedule and interests.

### **MA'ASIM TOVIM HONOREE**

Join us on Sunday, June 13th as we honor Meir Niad of Knoxville, TN as our region's Ma'asim Tovim for 2021. Meir has donated countless hours of his time as our Executive Vice President, keeping us all connected with updates via our website, social media & email blasts, procuring region logo swag for retreats, and helping out in any way he can to the growth and success of our region and its clubs. We also wish to thank Meir for his upcoming term as Region President starting this year.

The cost of the virtual convention is \$36 per person, but the Anshei Darom Region wants to split the cost with you.

**Ask your club president for the region's DISCOUNT CODE so that you can enter it on your registration and pay only \$18. This discount will only be valid to the first 100 people to register with the code.**
